Girl Scouts’ Highest Awards recognize that for girls to become leaders they need to become knowledgeable, involved, and proactive. They need to lead the way.

**Bronze. Silver. Gold.** These represent the highest honors a Girl Scout can earn.

All three awards give you the chance to do big things while working on an issue you care about. Whether you want to plant a community garden at your school and inspire others to eat healthily for your Bronze, advocate for animal rights for your Silver, or build a career network that encourages girls to become scientists and engineers for your Gold, you’ll inspire others and yourself.

As you earn one of Girl Scouting’s highest awards, you’ll change your corner of the world—and maybe even beyond. The possibilities are endless.
