

Community Service Opportunities at Girl Scouts of the Jersey Shore

There's plenty of opportunities to do community service with Girl Scouts. Girls of all levels can help beautify our camps. Girls Cadette and older can beautify camp, be program helpers for council programming, and help prepare supplies for programs and help with mailings.

For specific questions about volunteering at our camps, please reach out to the Camp Administrator at MHalk@gsfun.org.

Looking to help out at a scheduled camp clean up? Check out the details in Shore Things for our Dungaree Days.
