Debit Card Guideline

In the era of electronic banking, troops are now permitted to have Troop Account Debit Cards. If your troop obtains a troop account debit card, please be aware of the parameters that may be set on the debit card by your bank. Bank fees should be avoided.

Accurate record keeping of troop account debit card transactions, including retention of debit card receipts, is required and will aid in balancing troop checking account, preparing annual Troop Financial Report and maintaining proof of purchases (write a brief description of item purchased on the receipt or bank statement).

Troop Financial Report

Troops are required to submit their financial report through the Volunteer Toolkit with documentation by June 15. Girl Scouts of the Jersey Shore reserves the right to audit troop bank accounts at any time.

**TROOP CREDIT CARDS AND BORROWING IN THE NAME OF GIRLS SCOUTS ARE PROHIBITED
BY THE COUNCIL AND GSUSA.**
