

Girl Scouts of the Jersey Shore
Virtual Badge Breaks | Take to the Dance Floor
Daisies: Courageous and Strong Petal

You must show courage to try a new dance or learn a new skill. After you complete the Badge Break, look for other ways to use your courage like trying new food, learning to ride a bike, or playing trust games with your family.

Share a photo of you trying this activity with the hashtag **#GSJSChallenge** or via the photo submission page on our website for other Girl Scouts to follow along. [GSfun.org/photoshare]
