Dear Girl Scout Family,

Girl Scouts of the Jersey Shore is standing strong in the midst of the COVID-19 crisis because of the contributions of our 4,000 dedicated volunteers. I’d like to take this opportunity to express my gratitude to the men and women who give their time, creativity and boundless energy to strengthen our council and keep our spirits high no matter what comes our way.

As a nonprofit, we rely on the support of volunteers to lead our Girl Scout Troops, govern our organization, plan events, raise support, and most importantly, be role models to our girls, especially during challenging times like this.

We also appreciate companies like New Jersey Natural Gas and L&L Paving, who roll up their sleeves and pitch in to spruce up our camps and properties.

As we celebrate National Volunteer Appreciation Month, please join me in giving thanks to all our wonderful volunteers – troop leaders, Board of Directors, committees, businesses and friends. We’re grateful that you stand by us and help deliver our mission to build girls of courage, confidence and character, who make the world a better place.

We’re stronger because of our volunteers.

Stay healthy everyone!

Eileen M. Higgins
Chief Executive Officer
Girl Scouts of the Jersey Shore
