Dear Girl Scout Family,

There’s never been a better time to be a Girl Scout. For over 100 years, Girl Scouts has welcomed girls from all backgrounds and given them the tools to lead, achieve and make positive change in their own communities.

Even through the most difficult days of the pandemic, our girls stayed connected with their troops and continued to explore, learn, earn badges and make an impact. We are proud of their resilience and their ability to work together through this challenging time.

We hope your girl will continue to embrace scouting experiences this summer and beyond. We have plenty of opportunities. From boating and archery at our outdoor day camps and earning badges at home to exploring STEM activities online, there is something for every girl to thrive and have fun.

The best part is that every experience and skill will help her continue to be successful at school and in life.

That’s the Girl Scout difference. Leadership for life.

Join us for summer fun, invite a friend to sign up too, and remember to renew your membership today.

Let’s get outdoors!

Girls entering kindergarten through eighth grade will soon have opportunities for boating, arts and crafts, water play and Girl Scout badge work. That’s because Camp Amity Acres and Camp Sacajawea open Monday, July 13!

Groups will be smaller, but our campers will be active and outdoors connecting with nature, building skills and fostering friendship in a fun and safe environment.

Families wanting to keep their girls closer to home this summer can continue their connection with Girl Scouts and keep active with our #ThinkOutside Camp@Home experience!

Kick off your summer, Monday, June 29, with our weekly summer program. Enjoy daily themed activities and badge-earning opportunities!

We’ve also included literacy activities in this camp-from-home experience to help girls avoid the summer slide.

As we gear up for the start of another fun-filled summer at Girl Scout camp, we want to know, what is your best Camp Sacajawea memory?

Cat, Camp Sacajawea Camper
My favorite part of camp is making something fun out of anything and you learning from everyone here!

Marie, Camp Sacajawea Camper
I really love knowing how strong the Girl Scout community is! I know the camp friends I've made at Camp Sac will last forever!

Nina, Camp Sacajawea Camper
Everyone at camp is different, but we all have so much fun together!

Elisabeth, Camp Sacajawea Camper
My favorite camp memories are cookouts! We get to be creative and plan out what we want to do together, build a fire and cook the meal for everyone to enjoy!

Emily, Camp Sacajawea Camper
I have two favorite camp memories! When I went down the zip line for the first time I felt like I was Tinker Bell flying through the air! I was also in the camp catalog!

Peyton, Camp Sacajawea Camper
I love going canoeing with my camp friends and getting to see Meatball the turtle while on the lake. I also love meeting new friends!
