*Troop #*                      *Region*                      *Level (circle) D B J C S A*                      *# of Girls*

---

*Person In Charge*                      *Email*

---

*Address*                      *City*                      *Zip*                      *Phone*

### PLEASE READ

Cookies for Booth Sales can be ordered with your troop's initial order in eBudde as well as ordered afterwards through council and picked up the council cookie depot. Please enter a transaction in eBudde at least three business days in advance with cookie orders and pick up date. eBudde will send an automated approval/denials for "My Sales" entered in the schedule. To avoid conflict, please stipulate what stores in the area may also be used as Booth Sale locations. No approval is sent for "Council Sales." If you are able to secure it in the system, then you are approved for that location.
