Join us on this 4 day bus trip north to see the sweets and sights of Vermont. Tour two sweet spots, the Pez Factory in CT, and the Ben & Jerry's Factory to try a flavor (or two) in their scoop shop while taking a walk through their flavor graveyard. Learn a little about the history and government of Vermont with a stop at the Vermont State House in Montpelier and see a museum of buildings and a collection of collections in the Shelbourne Museum, which includes a 1920s carousel (you can ride!), a railroad car from the 1890s, a lighthouse, and a 220ft sidewheel steamboat.

No stop in Vermont would be complete without a trip to the Vermont Teddy Bear Factory, where we will learn how these cuddly companions are made. On the bus ride home, we will stop and stretch our legs at the Thomas Cole National historic Site.

Program costs include: All transportation beginning at the council service center and returning back to the service center at the end of the trip, 3 breakfasts, 3 dinners, all attractions/experiences listed above or *comparable*, lodging for 3 nights at Vermont hotels with 4 girls OR 2 adults, OR 2 Mother/Daughter pairs to a room. A *room supplement will be available for solo mother/daughter rooms.*
