One word describes the past year - Community

Dear Friends,

As Girl Scouts of the Jersey Shore continually pushed to provide the best experience possible for girls, so many of our friends, colleagues, and business partners came together to support the Girl Scout community, especially our girls.

From revamping our camps to teaching our girls about possible career paths at our first Career Day, our community proved to be more supportive than ever. Girl Scouts has always provided a sense of belonging to our members, and with the help of our community, Girl Scouts of the Jersey Shore is able to continue that tradition.

With all the challenges in the world this year, Girl Scouts remains the premier organization for developing young women into leaders of tomorrow. We believe girls should not be limited and refuse to accept limitations. The support they receive does not just come from us, but the broader community that joins us in cheering on girls as they travel their path to success.

Community impact occurs at every level. Local businesses frequently partner with Girl Scout troops, highlighting the services they provide the community. These connections deepen girls' understanding of the world around them, showing firsthand the benefits of paying it forward.

When Girl Scouts reach high school and work toward our highest honor, the Girl Scout Gold Award, they are ready to give back to those who gave so much to them. Our Gold Award Girl Scouts create partnerships to make an impact on the community that supports them when they were younger.

These girls are our future. They strengthen our community, just as our community strengthens us. Thank you for being part of our Girl Scout family.

We look forward to another year of success working in partnership with you and the community to make the world a better place.

Eileen M. Higgins
CHIEF EXECUTIVE OFFICER

Frances Keane
BOARD PRESIDENT

Girl Scouts of the Jersey Shore benefits from the vision of two exceptional leaders, CEO Eileen M. Higgins, left, and Board Chair Frances Keane.

Girls directly benefit from partnerships like the one between New Jersey Natural Gas and Girl Scouts. In two days at Camp Sacajawea, NJNG volunteers completed work that otherwise would have taken more than two years to complete.

Discovering New Skills

THROUGH GIRL SCOUTS, girls have the ability to discover what they are capable of accomplishing. Every Girl Scout activity is an age-appropriate adventure, designed to help girls discover what they are capable of in a girl-centric, girl-led environment. Starting in kindergarten and continuing through high school, Girl Scouts offers girls opportunities to discover new interests and abilities.

Girl Scouts are proud to invite the community to its biggest activities, including council's annual Spooktacular, with thousands in attendance every year, and Breakfast with Santa, complete with a horse-drawn carriage

Developing Outdoor Confidence

OUTDOOR ACTIVITY is a foundation of the Girl Scout experience where girls are introduced to camping, archery, climbing wall, ziplining, and hiking. Our outdoor programs as well as our summer programs at Camp Amity Acres and Camp Sacajawea help girls develop confidence and character, teaching the life-skills necessary to become independent women.

TRAINED TO HELP
YOUNGER GIRL SCOUTS

Throughout the year, Girl Scouts offers outdoor experiences throughout Monmouth and Ocean counties, giving many girls their first chance to try archery, zipline or even paddling a boat. During the summer, girls participate in the traditional Girl Scout Camp experience at Camp Amity Acres and Camp Sacajawea.

Preparing Future Leaders

Girl Scouts of the Jersey Shore honored 23 Girl Scouts from Monmouth and Ocean counties with the Girl Scout Gold Award in 2019. These girls demonstrated extraordinary leadership through sustainable and measurable Take Action projects that created a positive community impact.

Imagine taking on some of the biggest problems our planet faces and helping to solve them. **GIRL SCOUTS WHO EARN THE BRONZE, SILVER, AND GOLD AWARDS DO JUST THAT.** With each activity, the girls who receive these recognitions make an impact with a project that broadens their view of the world, highlighting the difference that can be made by a determined group or individual.

For her Silver Award project, Gabriella Graham from Middletown built a raised vegetable garden at The Barn for the Poorest of the Poor in Middletown. Her garden featured over ten varieties of vegetables and herbs, which she distributed to soup kitchens.

Teaching Business Skills

EVERYBODY KNOWS GIRL SCOUTS' ICONIC COOKIES. Not everyone realizes the powerful impact they make in Girl Scouts' lives. Not only is the Cookie Program the largest financial literacy program in the world for girls, the Fall Product Program also teaches girls as young as five budgeting and money management skills. Through the Jersey Shore Cares program, girls also learn the importance of giving back, with Girl Scout Cookie and Fall Product donations going to both the military and area food pantries.

A Lifetime of Leadership

FROM THE MOMENT SHE JOINS GIRL SCOUTS, a girl's life is transformed by her Girl Scout experience. She finds new confidence as she faces challenges that come from trying new activities for the first time. She makes a difference, identifies problems, and creates solutions. Girl Scouts changes girls' lives for the better, making an impact every day.

The council's canoe team, the Jersey River Runners, trains from March through October, competing against other Girl Scout councils and the general public. Its biggest race is the General Clinton Regatta in upstate New York over Memorial Day Weekend.

"Through Girl Scouts, my daughters are learning the value of community service and leadership. They are taking an interest in their community and constantly volunteering to make a difference in the lives of others."

Council Award Honorees

GSJS Robotics Team enjoyed a fun day at the Jersey Shore Makerfest! One team mate worked with her 4H Jr. FLL team as part of her Girl Scout Gold Award, others learned JAVA programming, continued building their robot, and scrimmaged on their new field set-up.

Charitable Events

The annual Women of Distinction & Community Partners Gala raised over \$100,000 that will advance the Girl Scouts' core mission to empower girls to become our future leaders.

GIRL SCOUTS IS A PLACE FOR ALL GIRLS.

Community support of our special events break down the financial barriers that often prevent girls from participating in Girl Scout activities. Through the contributions we receive, girls join Girl Scouts and participate in activities alongside their peers, gaining skills that make an immediate impact on their lives and their futures.

Girl Scout opportunities provided in Monmouth and Ocean counties are only possible thanks to community support from leaders in many different industries. Working together, we will provide all girls the skills necessary to lead us into the future.

For more than 50 years, Jessie Blair has led girls in many different capacities as an advisor and troop leader. Countless generations of girls are stronger and more confident thanks to the example set by community members like her.

Be the Change

THE COMMUNITY'S BELIEF IN THE GIRL SCOUT MISSION is why girls in Monmouth and Ocean counties have many opportunities to participate in activities they would never experience. Thank you for helping us impact girls' lives today and for the rest of their lives.

More than 250 people joined Girl Scouts of the Jersey Shore in honoring 11 emerging leaders at the fourth annual Phenomenal Women Under 40 celebration. The Phenom Award recognizes women under 40 who make a significant community impact through their work at a variety of businesses and nonprofits in Monmouth and Ocean counties.

Gail Grob, left, and dancing partner Sean Nepvue took home the "People's Choice Award" and Richard Givney, Susu Garcia, and her husband, Pedro Fuentes, capture the "Grand Champion Award" at the council's Dancing with Our Monmouth and Ocean County Stars event.

♦ Juliette Gordon Low Society Members

♦ Platinum Leaders Campaign

Hundreds of New Jersey Natural Gas employees made significant improvements across Camp Sacajawea, revitalizing the property. In two days, they completed work that would have otherwise taken more than two years to complete.

At Camp Amity Acres, a team from Exelon Energy spent several days renovating camp facilities, painting, sanding and cleaning areas frequently used by campers.

What We Believe

GIRL SCOUT MISSION

Girl Scouting builds girls of
courage, confidence, and
character, who make the world
a better place.

THE GIRL SCOUT PROMISE

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

THE GIRL SCOUT LAW

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.
