A Year Like No Other

Dear Girl Scout Family,

Girl Scouts of the Jersey Shore began 2020 with a bold agenda: to broaden our program offerings, to shore up our already strong finances, and through our community engagement and recruitment efforts, to safely build memberships in Monmouth and Ocean Counties. We are proud to offer every girl, in these changing times, a chance to prepare for a lifetime of leadership, adventure, and success. We are inspired by the positive actions of our Girl Scouts; at home, in virtual interactions, and in their communities. Even when many of their own families were strongly impacted by COVID-19, Girl Scouts showed resilience and compassion and we are so proud of their strength and resolve to make the world a better place. We especially acknowledge the contribution of our dedicated volunteers; 3,800 adults whose hard work in this critical time ensures that thousands of girls have access to the Girl Scout movement.

At Girl Scouts of the Jersey Shore, we know that Girl Scouts is the premier leadership development experience designed by and for girls. And we know this program works; our girls have shown that they can tackle any challenge and maneuver the ever-changing world through Girl Scouts. From sold-out programming celebrating Ruth Bader Ginsburg, with a second successful COVID free summer camp season at both of our camps, and to finding new and innovative ways to experience Girl Scout traditions, Girl Scouts demonstrated impressive resiliency in 2020. We are proud to say that Girl Scouts of the Jersey Shore has continued to deliver high-quality, life-changing programming, including:

- ◆ The Girl Scout Leadership Experience which engaged 13,101 girls nationwide in our programs
- ◆ Camp experiences at Camp Amity Acres and Camp Sacajawea that provided lifetime memories to over 700 girls
- ◆ The largest girl-led entrepreneur program in the world that earned over \$3 million dollars in product sales
- ◆ Awarding Bronze, Silver and Gold Awards to 92 young women
- ◆ Inspiring and empowering girls to discover who they are and who they want to be, no matter their race, religion, ability, gender identity or sexuality

Thank you for being a valued part of Girl Scouts of the Jersey Shore. We are proud to share this annual report with you, which illustrates the work we have done together over the past fiscal year to support our girls. Our donors and volunteers are the backbone of this wonderful organization, and we are so grateful to work alongside you.

Even in a world faced with uncertainty and unprecedented change, this year has strengthened our girls and our council by encouraging us to thrive and grow, to be more inclusive and open-minded, and to stay true to our Mission. As we look ahead, we are excited to continue to provide girls with a place where they feel welcome and supported as they conquer their fears and pursue their dreams. When girls challenge themselves to exceed their goals, they show the world that they can achieve anything because they are Girl Scout Strong.

Yours in Girl Scouting,
Heather and Teri

Heather Coburn
Interim CEO

Teri O'Connor
Board Chair

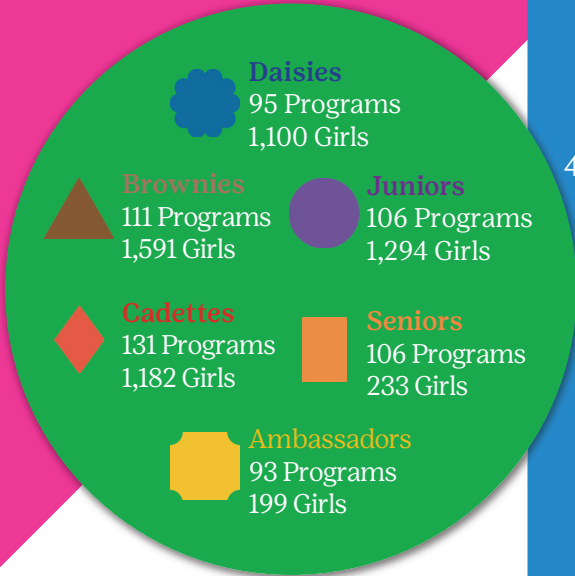

Heather Coburn, Interim CEO and Teri O'Connor, Board Chair worked closely to ensure all girls have access to programs that unlock their limitless potential and bring their dreams to life.

Discover. Connect. Take Action.

Fun, friendship, and new adventures are what Girl Scouts is all about. Girls make new friends, challenge themselves, write their own stories, and take action to change the world for the better through the Girl Scout Leadership Experience. Girl Scouts follow their own lead, learn by doing, and grow together while cheering on each other.

Girl Scouts lead flag ceremonies at many council and civic events, honoring the American flag as the symbol of our country and all of the hopes and dreams it represents.

- 13,101 Girls engaged in programs
- 1,535 Family members participating together
- 75 Virtual/Remote programs offered
- 4,946 Out-of-state virtual program participants
- 17 Badge Boxes offered

Rediscovering the Outdoors

Camp Amity Acres in Waretown and Camp Sacajawea in Farmingdale offer girls extraordinary outdoor experiences that have become a fundamental part of Girl Scouting. When girls spend quality time outdoors, they thrive physically, emotionally, and intellectually while creating friendships and memories to last a lifetime.

A New Normal

As Girl Scouts of the Jersey Shore, and the world, move forward with our “new normal,” we look back over the past year as a testimony to the dedication and commitment to our members and volunteers. Your contributions to our mission will continue to help girls become well-rounded women, equipped to successfully meet future challenges. When a girl joins our council, she discovers the world around her, she connects with others in a multicultural, all-inclusive environment, and she takes action to make the world a better place.

For more than 100 years, Girl Scouts has been a steady, positive force in the lives of millions of girls. Our movement is comprised of individuals from all backgrounds with their own beliefs, opinions, and ideologies. These differences are what make us stronger. By coming together to support girls as they build the courage, confidence, and character needed to raise their voices and advocate for issues and ideas important to them, we are developing change-makers who make a difference in our communities. Thank you for helping us impact girls' lives today and for the rest of their lives.

The Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

The Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the
Girl Scout Law.

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.
