As I reflect on 2023, I am filled with immense gratitude for our dedicated volunteers, generous donors, passionate staff, and committed partners. Your support has been the driving force behind our growth, helping us increase our membership and expand programming while adapting to meet the evolving needs of today's girls.

I am especially proud of our initiatives in underserved communities. Through our partnership with the Monmouth County Commissioners, we provided transformative summer camp experiences that empower girls, regardless of their financial circumstances. We introduced programming that opens diverse opportunities for all Girl Scouts, while maintaining strong financial stability.

As we look to the future, we are committed to empowering every Girl Scout to realize her fullest potential. Together, we will continue to inspire the leaders of tomorrow.

Thank you for believing in the transformative power of Girl Scouting.

Yours in Girl Scouting,
Heather Coburn, CEO

As I wrap up my term as Board Chair, I reflect on the incredible journey we've shared. Serving this vibrant community of girls, leaders, and supporters has been an honor. I'm proud of all we've accomplished together - witnessing our Girl Scouts tackle challenges, engage in meaningful service projects, and build friendships that will last a lifetime. Their passion and dedication inspire me every single day.

I want to extend my heartfelt thanks to our dedicated volunteers and staff. Your unwavering commitment and hard work have created an environment where our girls can thrive and become confident leaders.

As my term ends, I'm excited about the future of our organization. The foundation we've built will continue to empower young women to embrace their potential and make a positive impact. Thank you for allowing me to be part of this journey. I can't wait to see all the incredible things our Girl Scouts will achieve in the years to come.

Yours in Girl Scouting,
Teri O'Connor

The Girl Scout Gold Award, Silver Award, and Bronze Award allow Girl Scouts to prove they've got what it takes to build a better today – and tomorrow.

All three awards give girls the chance to do big things while supporting an issue they care about.

Gold Award Scholarship: Francesca Scibilia Summertime...to Give!

For her Gold Award Project, “Summertime...to Give!,” Francesca addressed the year-round need for donations at children’s hospitals. While these hospitals receive plenty of support during the holidays, donations often decline in the summer months, leaving them short on supplies. To combat this issue, Francesca focused on raising awareness and fundraising for the Bristol Myers Squibb Children’s Hospital, which included a donation of a Nintendo Switch and various games.

Francesca published an article in her local newspaper and reached out to organizations such as the American Academy of Pediatrics, the National Pediatric Cancer Foundation, and the Children’s National Hospital Foundation. To ensure the project's sustainability, Francesca partnered with Allentown High School's National Honor Society, encouraging them to continue this initiative as part of their charity events.

“Over the past 13 years, my involvement with Girl Scouts has been one of the most rewarding experiences of my life. My Girl Scout Gold Award project allowed me to apply my experiences and instilled a deep sense of pride. I’m grateful to have made a positive impact through my project, and hope it inspires others to create change in their communities, no matter the obstacles. Every small action contributes to a larger difference. I am honored to receive this scholarship and appreciate the opportunities provided by the Girl Scouts of the Jersey Shore.”
