## **Dear Girl Scout Family,**

The year 2022 marked the 110th year of the national Girl Scout movement. Not only has this movement stood the test of time, but it remains ready, resilient, and relevant to offer all girls a proven model for developing courage, confidence, and character.

Now more than ever, there is an urgent need to provide all girls with support and encouragement. Girl Scouts offers girls a safe place to try new things, take risks, step outside their comfort zone and demonstrate leadership.

This year we've accelerated our initiatives to give girls the tools to become the next generation of powerful women leaders. We are working to create a more inclusive, diverse, and equitable organization where all girls have the chance to reach their full potential. We are proud to offer every girl, in these ever-changing times, a chance to prepare for a lifetime of leadership, adventure, and success.

We are grateful for our Girl Scout volunteers, board members, donors, and staff who provide support, guidance, and a sense of community for our girls. Together we will pull the thread of equality. We are grateful for the collaboration with community partners and organizations who believe in girls and know that their investment in Girl Scouts truly makes a difference in the lives of every one of them.

**Thank you for investing  
in the next generation  
of influential leaders.**

### Going for the Gold

Gold Award Girl Scouts are the dreamers and the doers who take “make the world a better place” to the next level. The Girl Scout Gold Award is the mark of the truly remarkable—proof that not only *can* she make a difference, but that she already has. Seniors and Ambassadors who earn the Gold Award tackle issues that are dear to them and drive lasting change in their communities and beyond.

## Gold Award Scholarship: Reagan Volk

Girl Scouts of the Jersey Shore congratulates Reagan Volk for earning the Girl Scout Gold Award Scholarship for her project “Mission Milkweed”. The “Mission Milkweed” objective is to create a life-giving environment to protect and preserve the beautiful Monarch butterfly. The availability of milkweed has been severely diminished over the years due to overdevelopment, pesticides, and ornamental landscaping. Reagan provided her community with brochures and education about monarch conservation and handed out over 400 free milkweed and butterfly bush seed packets. Her project also included a beautiful “Mission Milkweed” butterfly bench, hand-painted by Reagan, which became a permanent part of Rumson’s Riverside Park.

“I couldn’t wait to become a Girl Scout when we moved to Rumson from New York City when I was in first grade. While my role as a Girl Scout has changed over the years, my local troop (Rumson 60967) is still going strong. We have evolved from cookie sales and field trips to important and very meaningful volunteer work, and I plan on always being involved in this amazing organization,” Reagan Volk.
