Bronze Award Take Action Project Time Log: List the the time you spent working on your Bronze Award Take Action project. Each girl must log a **minimum of 20 hours** to earn the award. This includes research, planning, taking action, and completing the final report. Please keep in mind that planning time can only account for 10% of your total hours. Additionally, Council-approved Money-Earners can only take up 15% of the project time. **List all time in hours or half-hours, not minutes. You may round up to the nearest half-hour**

Date	Description	Time Spent
