The Silver Torch Award

This award recognizes Cadettes who act as leaders in their communities. Do these two steps to earn the award:

1. Complete one Cadette Leadership Journey.

2. Serve for one full term in a leadership position at your school, place of worship, library, town council, community center, after-school club, or a similar organization. For Example, you might serve as a school yearbook editor, on a committee to organize youth events within your faith community, or on an event-planning board at the Girl Scouts. The length of your service will depend on the term specified by the organization or particular role.

Cadette Community Service Bar

When you earn the Cadette Community Service bar, you are making a difference in your community - and practicing the values of the Girl Scout Law. It's also a great way to get involved with a particular cause you care about.

To earn the bar, first choose an organization you'd like to volunteer with. The organization will need to agree to give you instructions about the work you'll be doing. Once you've chosen your organization, complete at least 20 hours of service to earn the bar.

Cadette Service to Girl Scouting Bar

If you choose to volunteer at least 20 hours to the Girl Scout organization, you can receive the Cadette Service to Girl Scouting bar. For example, you might volunteer your time at a special event for younger girls, be an office assistant for your council or service unit, or help with special projects.
