

COOKIE CHAMPIONS CATALOG

Girl Scouts who participate in our Cookie Program are eligible for exciting recognitions based on the number of cookies sold.

We honor the creativity, dedication, and perseverance of our top sellers by giving them the VIP treatment they deserve!

How It Works

Eligibility: Girl Scouts who sell 700 or more packages of cookies are designated Cookie Champions and gain access to this exclusive catalog.

Rewards: Champions can select amazing extra recognitions, such as cool electronics or fun trips (local and beyond).

Selection: Eligible Champions will select their rewards using an online form after the Cookie Program is complete. The form will close at midnight on 4/20.

Important Note: All catalog items are subject to change and availability. Should an item be discontinued or out of stock, it will be replaced with an item of equal value.

MY GOAL

Packages

**All items are subject to change based on availability. If an item becomes discontinued or out of stock, a comparable item of equal value will be substituted.*

**Recognition eligibility is based on the number of cookie packages sold. Girl Scouts who reach the 700+ level will receive a link to select their reward preferences through an online form.*

Frequently Asked Questions

How does it work?

Starting at 700 packages sold, Girl Scouts earn 1 point. For every additional 100 packages, they earn one more point. Girl Scouts receive one additional point for every 100 boxes sold.

How do I select my rewards?

After the Cookie Program ends, an online selection form will be made available. Be sure to use all of your points without going over your total balance. You may select rewards from multiple point categories as long as you do not go over your total balance. *Remember: one item does not always equal one point.*

How are rewards delivered?

Rewards may be mailed via USPS, emailed digitally, or shipped directly from a vendor. You will receive email updates with shipping information; however, delivery timelines may change based on item availability. Any reward event listed as “date of your choosing” must be selected between May 1st and September 30th. ***High-value rewards must be picked up at one of the council’s service centers.***

What if I don’t complete the reward selection form by the deadline?

Girl Scouts who qualify and **do not** submit the form by **midnight on April 20, 2026**, will automatically receive a \$10 Council gift card per 1 point earned.

Why does my item look different from the picture?

Images are examples only. Colors, brands, and styles may vary depending on availability. If a specific item is unavailable, an item of similar type and equal or greater value will be substituted.

What if I don’t receive my rewards?

Please wait until the end of June before contacting the Product Program Team. Shipments typically continue through that time. GSJS cannot replace rewards that were delivered to the address or email provided on the submission form. All mailed items will have tracking; if tracking shows “delivered,” the item is considered fulfilled and cannot be replaced.
