Business Etiquette

Many young adults enter into the workforce without learning the basic business manners that will allow them to showcase just what they are capable of. This program will have girls soaring above their peers through learning how to communicate with style and confidence, excel during an interview, explore the art of negotiating, explore how to act on the job, and network with confidence. When girls have earned this badge, they will know the kind of savvy they will need to be successful in the business world. Schedule this Program on Demand in your local town! Must have 12 girls to reserve this program.

Cost: \$17

Facilitator: Devin Carrick

Senior Programs On Demand

C/S/A (Becoming Me)

Cadettes, Seniors, and Ambassadors are invited to participate in this Program on Demand opportunity. This program, inspired by former First Lady of the United States Michelle Obama's book *Becoming: Adapted for Young Readers*, will be brought directly to your town. As a participant in this unique experience, girls will explore the truth of their own story and the power of their voice while hanging out with friends! Girls will receive the exclusive patch and have an opportunity to receive a copy of the book. Must be 12 girls registered to reserve this program.

Cost: \$20

Facilitator: Devin Carrick

Campfire Cooking

Nothing tastes better than a meal you've prepared and cooked over an open fire with friends! Review how to build and maintain a proper cooking fire before working together to make individual foil packet meals and a tasty dessert treat.

Location: Camp Sacajawea / Camp Amity

Cost: \$15

Facilitator: Stephanie Smida

Senior Programs On Demand

Campfire Cuisine

Who says you can't have a culinary experience in a campsite? Work together to create a full meal over and around the campfire from start to finish. An appetizer, entrée, and dessert will be made using various campfire cooking techniques to make a full meal to share, family-style.

Location: Camp Sacajawea / Camp Amity

Cost: \$20

College Knowledge

Your Girl Scout may be feeling both excited about and overwhelmed by the college admissions process. The College Knowledge badge tackles applying to college one step at a time, so your girl can start her next chapter with confidence. Divided into five easy steps, this badge walks girls through their options, the admissions process, financial planning, and study and health habits so they can succeed after they get in! Schedule this Program on Demand in your local town! Must have 12 girls to reserve this program.

Cost: \$20

Facilitator: Devin Carrick

Senior Programs On Demand

CPR/First Aid (S/A)

Seniors and Ambassador Girl Scouts are invited to receive American Red Cross First Aid and CPR Training. Girls will need to complete an online portion of the training before attending the in-person training. Instructions will be sent upon registration. Through this training girls will gain the knowledge, confidence, and understanding of the steps for performing First Aid and CPR correctly on teens, adults, children, and babies, and deliver care in a wide range of scenarios. Girls will receive the First Aid badge and will become certified by the American Red Cross.

Cost: \$25

Senior Programs On Demand

Science of Style

There are so many products advertised directly to women, how can you tell which is real and which is harmful? Seniors and Ambassadors are invited to explore these topics through the “Science of Style” badge to create and imagine their own products. Through this program girls will test skin care and makeup, examine the science behind fabrics and accessories, explore the science behind hair products and perfume, investigate the sociology of style, and formulate their future style. When they have earned this badge, they will understand the science behind makeup, perfume, fashion fabrics, and skin care products. Schedule this Program on Demand in your local town! Must have 12 girls to reserve this program.

Cost: \$17

Facilitator: Devin Carrick

Think Like An Engineer Journey

Girls are invited to explore the fun world of STEAM with this engineer journey. Through this program, girls will learn more about opportunities available to them through STEAM by becoming an engineer. Do your girls like to solve problems? Work hands on to build things? Girls will learn from experts and practice being an engineer for the day with this program on demand! *pre-requisite for Gold Award*

Cost: \$45

Facilitator: Devin Carrick

Women's Health

Do you know what it means to be healthy on the inside and out? Are girls aware of the different ways the outside world affects how we see ourselves and our health? Through this interactive program, Senior Girl Scouts will learn all about women's health through investigating the tests that help women stay healthy, finding out how fads and beauty practices impact health, focus on techniques to help them stay emotionally healthy, exploring a closer look at a women's health topic, and pay it forward by sharing information on a women's health topic of their choice. Girls will feel more prepared for the things they need to do to keep themselves healthy as they are growing. Schedule this Program on Demand in your local town! Must have 12 girls to reserve this program.
