Activities Are For Every Girl!

Looking to venture into the great outdoors, or committed to serving your community? Hoping to travel, explore science, technology, and engineering, or hone your entrepreneurial instincts? Girl Scouts has it all covered, providing you with well-rounded programming that delivers the essential Girl Scout experience. So start planning your year— who knows what adventures are on the horizon? Registered Girl Scouts can participate in any age-appropriate activity the council offers; on their own, with a group of friends, or as part of a troop.

How to Use the Guide

To get the most out of the Guide, use it alongside the online program calendar, which allows you to search for information and events using specific categories and levels. It's easy to register for events online.

For Parents

Girl Scouts of the Jersey Shore has plenty of adventures that are perfect for the whole household. You'll find everything from family explorations to skills that will set your girl up for success. Scroll through the programs to get more acquainted with what we have to offer your girl and your family.

For Troop Leaders and Other Volunteers

Council-led programs are a fantastic resource to deepen the experiences of girls over the course of your Girl Scout year. There are plenty of badge- and Journey-based adventures, as well as programs related to service and having fun with a purpose. Share it with your group of girls to find out what their interests are for the year, and settle on a few outings that complement your troop goals. Are they excited about more experiences than you can cover in just your regular troop meetings? Check in with parents to see if the troop can support the added experiences. Don't forget to keep an eye out for trainings and workshops throughout the year!

For Girls

Sit down and take a look at all the descriptions of the experiences. Find the ones that are most exciting to you and talk with your troop, troop leader, and parent/guardian about new adventures and skills you'd like to explore.

Stay Tuned

Throughout the year we introduce new programs as opportunities arise, so stay up-to-date with the online program calendar and watch for program details via email and social media.

Cancellation Policy

In the event of a cancellation, the adult listed on registration will receive a phone call and/or an email. Cancellations will also be listed on GSFun.org. Only those registered for an event will be notified of any changes or cancellations. Refunds/rescheduling are available only when council staff cancels a program.

Advanced Pricing

Early registration allows us to purchase necessary supplies in a cost effective manner. When you register by the advance pricing date, easily found in the parentheses to the right of most program listings, we offer a savings as our way to say thank you for your efforts.

Program Facilitators

It takes a team of dedicated Girl Scout staff and volunteers to provide engaging Girl Scout experiences. Every program listing includes the name of the person leading the program behind the scenes.

The Symbols of Girl Scouts

The uniform is an essential element of the Girl Scout experience, and a beautiful record of her time in Girl Scouts. From the Daisy smock to the Ambassador sash or vest, girls get to wear their accomplishments with pride and let their strengths shine.

Girl Scout Traditions Dating back to the founding of Girl Scouts, the uniform helped girls build sisterhood and community. We still have some of the same patches and awards as used at our founding, like Troop Crests and Brownie Wings!

Outdoor Adventure Girl Scouts are outdoor women, so it makes sense that so many of our badges help you get outside! It'll be a cinch to earn badges like the Trail Adventure and Hiker badges, advance to badges like Trailblazing or Night Owl, and achieve awards like the Counselor-in-Training and Program Aide pins.

Product Program These awards focus on setting goals, decision-making, money management, and people skills—everything a young entrepreneur needs. These awards don't just show off her business acumen—they're proof that she can help fund her own Girl Scout experience. Be sure to check out our Cookie Entrepreneur Family pin!

Community Service Community service doesn't just transform her community—it transforms her Girl Scout spirit. These awards commemorate the way she's changed the world around her, from local efforts to national action.

Badges, Journeys, and Awards At the heart of your troop experience, these awards show all the things you've learned and accomplished in Girl Scouts. Badges for skill development and exploring interests, Journeys for leadership growth and problem solving, and finally our prestigious higher awards (Girl Scout Bronze, Silver, and Gold awards) for big ideas and bigger effort.

Special Events Special events might not have an official badge, but they're a vital part of what makes her Girl Scout experience great! The back of her uniform is fully dedicated to keeping these memories alive, and it'll be covered in fun patches and participation patches from her adventures before you know it.

Join Girl Scouts of the Jersey Shore for a coach bus ride to NYC. Enjoy the Radio City Rockettes in their Christmas Spectacular, with numbers like the legendary “Parade of Wooden Soldiers” and Santa’s magical ride to his workshop at the North Pole where playful ragdolls come to life. We can’t wait to see what’s new and exciting this year. Attend with us and receive this year’s exclusive 2023 Christmas Spectacular Patch. Many on last year’s trip to NYC voiced that they would love more time in the city and we heard you! So new this year we will be arriving around 10:30 am and leaving at 5:00 pm so there will be much more time to catch a meal before the 2pm Christmas Spectacular show or you may choose to go shopping or maybe even take selfies in Times Square. GSUSA Destination - Down the Jersey Shore and More

It's always a Shore Thing in Jersey! From your base camp in the dorms at Georgian Court University, suit up for different outdoor adventures at the Jersey Shore—learn how to surf, hike, or bike at a state park; try adventure elements at our camp in the Pine Barrens; and learn more about local marine life while completing a service project at Gateway National Recreation Area in Sandy Hook. Explore beachfront life while you visit three Jersey Shore towns (Asbury Park, Ocean Grove, and Point Pleasant); walk the boardwalk; visit the arcades; make a blown glass ornament; and spend some time on the sand, maybe even getting a lesson from a sandcastle artist. One of the cool things about the Jersey Shore is how close it is to “the city.” Take a trip up to Liberty Park, hop on the ferry, and climb up the pedestal of the Statue of Liberty (which is actually in New Jersey). You'll also see a Broadway show and walk through the famous Times Square. Applications are being accepted at gsFun.org/gdestination
