

Brownie Programs On Demand

A Journey to the Past

Come discover our Girl Scout history as you explore our archive room and receive the “A Journey to the Past, History” patch. We have all kinds of artifacts from long ago including uniforms, badges, patches, dolls, Girl Scout handbooks, other books, pictures, pins, keepsake memorabilia and so much more. Complete a scavenger hunt, try on an old uniform to take pictures in and make a SWAP to exchange with another girl all at this history rich program.

I Heart My Brownie Robot

Think like an engineer as you design, create, and program a moving robot that comes right from your Brownie heart! Teaming up, girls earn their Brownie Designing Robots Badge by creating a prototype of a robot that aligns with our Girl Scout Law of being considerate and caring with the purpose of helping others. Plus, learn about AI and how robots imitate nature. Each robot will be programmed through an education core set called WEDO using Legos.

Cost: \$15

Facilitator: Brianna Nuzzo

Recognition: Badge

Knot Tying & Lashing - Brownies

Learn how to tie basic knots and what they are commonly used for. You will learn how to tie a square knot, overhand knot, and half hitch. Then learn what lashing is and what the different types are used for and maybe even try your hand at a few. Each girl will receive a practice rope to take home with them. Recognition: Patch
