## A Journey to the Past

Come discover our Girl Scout history as you explore our archive room and receive the “A Journey to the Past, History” patch. We have all kinds of artifacts from long ago including uniforms, badges, patches, dolls, Girl Scout handbooks, other books, pictures, pins, keepsake memorabilia and so much more. Complete a scavenger hunt, try on an old uniform to take pictures in and make a SWAP to exchange with another girl all at this history rich program.

**Location:** Program Activity Center - Farmingdale

**Cost:** \$10

**Facilitator:** Jillian Casey

**Recognition:** Patch

## Archery I

**Location:** Camp Sacajawea

**Cost:** \$10

**Facilitator:** Brianna Nuzzo

**Recognition:** Patch

# Junior Programs On Demand

## Cookie Collaborator

Team up (also known as collaborating) with your Girl Scout team to set goals and make decisions to run your cookie business. This NEW cookie badge also teaches Juniors how to collaborate with friends and family to connect with more customers. Even if you've already sold cookies in the past, the key to greater success is to never stop learning how to become better.

**Cost:** \$17

**Facilitator:** Carmela Ruggiero

**Recognition:** Badge

## Firebuilding

Have you ever wanted to build your own campfire? After learning important fire safety, you'll collect the correct types of wood for the very best campfire. Make a mini-fire with a partner and craft your own custom campfire snack. Prerequisite for Oregon Trail. Not available November-April.

**Location:** Camp Sacajawea / Camp Amity

**Cost:** \$15

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Patch

# Junior Programs On Demand

## First Aid - Junior

Learn basic first aid as you earn your First Aid badge. Gain the skills needed to take action in an emergency, such as how to apply a bandage and help a choking person. Learn what belongs in a first aid kit and create your own kit to take home. Prerequisite for Oregon Trail.

**Cost:** \$20

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Badge

## Flying Squirrel

Experience a rush of adrenaline as you fly through the sky, securely held in by our rope and harness system. The whole team works together for a thrill of a lifetime! Not available November-April.

**Location:** Camp Sacajawea / Camp Amity

**Cost:** \$16

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Patch

# Junior Programs On Demand

## Geocacher

Discover the sport of Geocaching; a sport which combines technology with a scavenger hunt. Learn how to use your cellphone to access the Geocaching app and to find geocaches. Find out what a Travel Bug is and how they are tracked. Make SWAPS to leave at a geocache site and take your very own geocaching adventure! Not available November-April.

**Location:** Camp Sacajawea / Camp Amity / Ocean Service Center

**Cost:** \$15

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Badge

## Junior Designing Robots

Girls will provide creativity and vision to create a prototype of a robot that solves a global problem, and we will provide the tools needed to meet this robot challenge. The purpose of the Designing Robots Badge is for Juniors to know how to plan, build, and share feedback, just like an engineer!

**Cost:** \$17

**Facilitator:** Brianna Nuzzo

**Recognition:** Badge

# Junior Programs On Demand

## Juniors Shapes In Nature

How are butterfly wings, peacock feathers, seashells and lightning alike? They're all patterns in nature. A pattern is when something repeats itself, like a checkerboard or stripes on a tiger. Not only does this badge require Juniors to identify symmetry in nature, it also requires girls to create nature-inspired art with circular symmetry. We will provide everything needed at this indoor/outdoor program.

**Cost:** \$17

**Facilitator:** Jillian Casey

**Recognition:** Badge

## Knife Skills and Whittling 101

Learn proper handling of a knife and practice this important life-skill through simple whittling techniques. Discover different ways to create both art and practical pieces using the knowledge gained in this program.

**Cost:** \$15

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Patch

# Junior Programs On Demand

## Knot Tying & Lashing - Junior

Learn how to tie knots and what they are commonly used for. You will learn how to tie a square knot, half hitch, bow line, and taunt line. Then learn what lashing is and what the different types are used for and try your hand at square lashing and tripod lashing. Each girl will receive a practice rope to take home with them. Recognition: Patch. Prerequisite for Oregon Trail

**Cost:** \$14

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Patch

## Space Science Investigator

Juniors are invited to venture through the Solar System and beyond to earn the NEW Space Science Investigator Badge. Our Solar System spreads out across space. It's much larger than you might think and the stars are even farther away than you can imagine. The purpose of this badge is for Juniors to understand that the Earth orbits the Sun and how far away the Sun, Moon, planets and stars are from our home planet Earth. Along with fellow Girl Scouts, create a 3-D Solar System fit to win a science fair.

**Cost:** \$17

**Facilitator:** Carmela Ruggiero

**Recognition:** Badge

## Think Outside the Box Teambuilding

This teambuilding program is designed for older girls who are looking for a challenge. Girls will have to put their imaginations, creative thinking and communication skills to the test as they work together to complete different teambuilding challenges. They will learn how to work with each other and brainstorm different ideas developing a working relationship all while having fun. Fun Patch included.

**Cost:** \$15

**Facilitator:** Steph Smida-Hachemi

**Recognition:** Patch
